(57) **CLAIM**

The ornamental design for smart electronic padlock, as shown and described.

DESCRIPTION

FIG. 1 is a front view of the smart electronic padlock according to the new design;
FIG. 2 is a right view of the smart electronic padlock;
FIG. 3 is a back view of the smart electronic padlock;
FIG. 4 is a left side view of the smart electronic padlock;
FIG. 5 is a top view of the smart electronic padlock;
FIG. 6 is a bottom view of the smart electronic padlock;
FIG. 7 is an elevated front and right perspective view of the smart electronic padlock;
FIG. 8 is an elevated back and right perspective view of the smart electronic padlock;
FIG. 9 is an elevated front and left perspective view of the smart electronic padlock; and,
FIG. 10 is an elevated back and left perspective view of the smart electronic padlock.
The broken lines in the Figures show portions of the smart electronic padlock that form no part of the claimed design.

1 Claim, 5 Drawing Sheets
